Re: Response to Special Notice of Liability
on Behalf of Albion College

Albion-Sheridan Township Landfill, Albion, Michigan

Dear Ms. Evison and Ms. Wester:

As recommended by William E. Muno, director, Waste Management Division, in his letter of June 6, 1995, to Albion College designated "Special Notice of Liability," I am informing you of the willingness of Albion College to participate in negotiations concerning proposed response activities at the Albion-Sheridan Township landfill. You have identified Albion College as a potentially responsible party in these proceedings.

We represent Albion College. I plan to attend the initial settlement conference, a notice of which is contained in the material accompanying Mr. Muno's letter. I understand it will be Wednesday, June 28, 1995, at 10:30 a.m. Chicago (central daylight) time, at the office of the regional counsel, U.S. E.P.A. Region 5, 200 W. Adams St., Chicago. Should there be any change in the plans for the meeting, I request that you inform my office promptly. I will be on vacation through June 27.

Further contact concerning this matter as it pertains to Albion College should be directed to us at the address and telephone numbers above.

Very truly yours,

David G. Moore
